This league will give boys the opportunity to experience basketball in a competitive, yet value oriented atmosphere while gaining a deeper understanding of the game. A mandatory evaluation day on Dec 11th will be held to determine equally matched teams. Players are introduced to how to maintain positive character in a competitive atmosphere, while improving their skills. Games will be played against various surrounding counties. Practice and game schedules TBD at a later date.

Want to improve your ability to attack the defense off the dribble, how to shoot, and how to play the game with speed? Want to improve your ability to perform at a higher level? Then this competitive winter basketball league is for you! SIGN-UP NOW!
